These Terms of Service ("Terms") govern your access to and use of the HUB 360 platform (the "Service"). By creating an account or using the Service you agree to these Terms.

1. Accounts

- Account requests are reviewed before approval. You are responsible for keeping your sign-in details confidential and for all activity under your account.
- After three failed sign-in attempts your account is locked to protect it; you can unlock it by resetting your password.

2. Acceptable use

You agree not to misuse the Service, including attempting to access other customers' data, interfering with its operation, or using it for unlawful purposes.

3. Your data

You keep ownership of the information you enter into the Service. You grant us the rights needed to host, process and display it in order to provide the Service to you.

4. Availability and changes

We work to keep the Service available but do not guarantee uninterrupted access. We may update features and these Terms; material changes will be announced in the Service or by email.

5. Disclaimers and liability

The Service is provided "as is". To the extent permitted by law, HUB 360 is not liable for indirect or consequential losses arising from your use of the Service.
